The Skidmore Graduate and Professional School Expo will be held on Tuesday, October 8 from 11:30 a.m. to 2:00 p.m. in Case Center. Check in opens at 11 AM. As a reminder, a boxed lunch will be provided and there is not a fee associated with this event. Here is some additional information for easy reference:

**BEFORE THE EXPO:**

**Sending Materials**
If you need to ship materials ahead of time, please notify me (we have limited space) and send them to the following address: Career Development Center, Starbuck Center, Skidmore College, 815 N. Broadway, Saratoga Springs, NY 12866.

**Nametags & Tablecloths**
Please consider bringing a nametag and a banner from your college/university, if you have one available. We will print a nametag for you based off of the information provided on your registration and all tables will have a tablecloth.

**ON THE DAY OF THE EXPO:**

**Entering Campus**
Upon entering campus, please proceed to the left and follow Perimeter Road. You will come upon two speed bumps with a crosswalk in the middle, with the Tang Teaching Museum to the right, and the Williamson Sports Center to the left. Take the next right and proceed to Case Center.

**Parking**
No parking sticker is needed, but you must park legally (not in a handicap spot, not on the grass, not in the fire lane, etc.) We will have student volunteers available to help you unload your cars by Case Center from 11 -11:30 AM. We ask that you turn on your flashers/hazard lights while you unload your vehicle and stay to the right side of the parking lot (away from the bus stop). After unloading your vehicle, please park in the Tang Lot. The walk from the Tang Lot to Case is about 3 minutes. Please note overnight parking is not permitted in this lot.

**Setting Up**
In order to maximize student traffic, we are holding the Expo in Case Center which serves as our student center. The student center has limited space. Therefore, we ask that you share an 8 foot table with another program, which means that you will have four feet to display your materials. We will provide a tablecloth and a sign; please bring any other signage or branding items that you would like.
Computers/Internet Access
We arranged for wireless internet access on the day of the expo. We will share that log-in and password with you when you get here. Since Case Center also serves as our student center and is a high traffic area, we are not able to run multiple extension cords across the floor. Power outlets will be available on a limited basis. If you plan on using a computer, please charge your laptop before the event. We will have a charging station available just down the hall, if needed.
