PLEASE NOTE:

A FINAL REPORT must be submitted to the Office of the Dean of the Faculty and Vice President for Academic Affairs by May 15 of the year following the summer research period. Faculty members must submit one report for each award.

Failure to file a final report may result in advances being treated as taxable income and will disqualify participants from future grant opportunities.

The Final Report, submitted online, will consist of:

- A written summary and a brief description of expenditures.
- A description of the future educational and professional plans of the student participant, including plans for additional research in their junior and senior years.

The final report forms can be found at:
