Committee on Academic Freedom and Rights (CAFR), Annual Report, 2005-06

The Committee on Academic Freedom and Rights met as a whole seven times during the 2005-06 academic year. The Committee received four informal inquiries, all of which involved students. None of these inquiries resulted in formal cases. We also discussed two policy issues unrelated to these inquiries, and participated in the search for the Assistant Director for Equal Employment Opportunity and Workforce Diversity.
