The Common Thread Leadership Retreat is a weekend immersion experience for students from all leadership types and backgrounds. The first 30 students to register will share their weekend participating in activities and exercises that will help them learn from each other, while growing as people and leaders – testing their values, finding their passions and changing the world! Students can expect to discuss a variety of topics, some of which include values identification, teambuilding, leadership justice, ethical leadership, commitment, and motivation. All of the activities will be presented in a safe and fun learning environment. There will be time to bond with others on the retreat and utilize the recreational areas of the offsite camp.

Registrations will be accepted on a rolling basis. Completed sign up forms are due Friday, March 9, 2015 – Case 228.
