Instructions (Please read carefully!)

Students must choose one of the two Scribner Seminars. Each seminar course can only accommodate 18 students. After one seminar course is filled, students will be placed in the second seminar, regardless of their preference. All courses are worth 4 credits each, except for the 1-credit Understanding Britain course, required of all students. Students will take a total of 17 credits for the fall semester in London.

1 Scribner Seminar + 3 IES courses + 1-credit Understanding Britain = 17 credits

Please list course choices in numerical preference (1 being first choice, 6 being last choice). All courses must have a number preference. Courses will be filled on a first come, first serve basis.
