Welcome to Saratoga Springs and Skidmore College’s new 103 acre White Hollow Farm located just eight miles east of our old location. We are thrilled to have this new facility and to be able to provide more amenities for our horse show exhibitors. To start, we will have eight rings including five competition rings, all with state-of-the-art drainage and all-weather footing. We will also offer both permanent and tented stabling as well as grass turn out paddocks in various sizes. We have been working diligently to get this venue ready for June. As with any new venue, this project will be a work in progress as we continue to develop the property to meet your needs. We value your input and continually strive to do our best, so please feel free to share your thoughts and ideas with us.

In addition to our new venue, we are also celebrating the 20th anniversary of the Skidmore College Saratoga Classic Horse Show. We are planning some special events in honor of this milestone. Download and check our app (Southbound Showday) for more information. Our management team, executive committee, and the College administration is committed to providing you with a quality show experience that delivers a safe and friendly atmosphere, thoughtful scheduling, and limited entries. The most important aspect of this show is that ALL proceeds go directly to fund scholarship awards for students admitted to Skidmore College. This is the College’s largest fundraising event, and has raised $4.5 million for financial aid. We are extremely grateful to all of our loyal sponsors for their continuous support and willingness to help provide access to higher education. Thank you!

When you are making your plans, please note that the area hotels are already filling up fast with folks attending the concerts scheduled at the Saratoga Performing Arts Center (SPAC) during our show weeks (please see below). Aside from the downtown Saratoga hotels, there are several hotels located at exit 12 off Route 87 in the town of Malta, NY that are equidistance to the showgrounds coming in on the south side of Saratoga Lake.

We hope that you find the time to participate in the many exciting events that both the city of Saratoga Springs and Skidmore College have to offer. As always, please visit us under the yellow and white tent, and we will be happy to provide you with helpful suggestions of where to go and what to see in Saratoga to make your stay enjoyable. We invite you and your children to visit the Skidmore campus, the Tang Teaching Museum and Art Gallery, and the Arthur Zankel Music Center. If you would like a guided tour of the College, please ask and we will arrange a time for you.

Enjoy the show and your visit to the historic city of Saratoga Springs where Health, History, and Horses are our tradition and our official city slogan. We look forward to seeing you soon!

Sincerely,

Adele Einhorn
Executive Director

Every horse has never colicked.

Until he does.

Colic affects horses of every breed, age, and discipline. At SmartPak, we’re on a mission to support healthy horses and happy riders, and that’s why we created ColiCare.

ColiCare is a FREE program that combines a veterinary wellness plan with our best digestive supplement, and backs it all with up to $7,500 of colic surgery reimbursement, should your horse ever need it.
