**Welcome to Skidmore College!**

During the summer months, Saratoga Springs is the place to be. Our beautiful campus is conveniently located close to most major cities in the Northeast—just three hours from New York City, Boston, and Montreal. To our north, the world-renowned Adirondack Mountain resorts of Lake George and Lake Placid are only a short drive away. However, you don’t have to leave Saratoga Springs, or even Skidmore’s campus to seek world class entertainment! The Saratoga Performing Arts Center (SPAC) is the summer venue of the New York City Ballet and the Philadelphia Orchestra. Saratoga Springs is also home to the oldest thoroughbred race track in the country, currently celebrating its 150th anniversary. This summer, racing season begins July 19th and concludes on September 2nd. You can find brochures and information for these and other opportunities at the Summer Registration Desk and on various Saratoga based websites. You can also stop by the visitor center on Broadway!

**SUMMER REGISTRATION DESK**

(518) 580-5686

The Summer Registration Desk is located on the second level of Case College Center, usually referred to simply as Case Center. Our Summer Operations Assistants are on hand seven days a week from 8:30 am to 7:00 pm to assist you. The staff manages check-in and check-out, prints ID cards, and serves as a liaison between summer guests and other campus departments. We also provide information about the campus, activities, and the local area. When leaving, you must check out by 11 am to avoid additional charges. Please lock your door and return your ID Card to the summer registration desk. It is important to check-out in person to avoid additional charges to your stay. If you must leave before or after our business hours, you may use an express check-out envelope. These are located in the green boxes next to Campus Safety and across from the Summer Registration Desk.

**SKIDMORE ID CARD**

Your ID card will serve as your identification everywhere on campus that an ID is required, including the library and the sports center. Your ID card will also serve as your meal card, room key, and declining balance card for campus purchases, like laundry or snacks.

You may deposit funds into your declining balance account with cash at the machines on the ground floor of Case Center and inside the Dining Hall Atrium, or by credit card at [www.skidmore.edu/card/deposits.htm](http://www.skidmore.edu/card/deposits.htm). At the end of your stay, if your card has a balance of $10 or more, you may get a refund from the Card Office, located on the 1st Floor of Starbuck Center. If your balance is below $10, it cannot be refunded, so we recommend that you spend the money before you leave.

If your card is lost, a new card can be issued at the summer registration desk for a $10 replacement fee. After replacing your ID, the old card will become inactive, ensuring that it cannot be exploited. We cannot reactivate found ID cards once they have been replaced.

*Many businesses in the Saratoga Springs area offer discounts with Skidmore ID cards, so just ask!*
CAMPUS SAFETY

http://skidmore.edu/campus_safety/

Campus Safety is located in the basement of Jonsson Tower, directly inside of the Jonsson Parking Lot entrance. They provide the College with 24-hour patrol of Skidmore’s campus. Campus Safety officers provide protection for members of the College community and are responsible for enforcing College safety rules and regulations, supervising fire and safety orientation drills, and handling emergency situations. **For emergencies, call (518) 580-5566;** for all non-emergencies, call (518) 580-5567. Numerous emergency boxes are located across campus and may be identified by their blue lights. They contain call buttons that automatically dial Campus Safety. When you push the button, you will hear a buzz, after which Campus Safety will answer. Misuse of these boxes is a crime.

**EMERGENCY PREPAREDNESS:** Skidmore College has a comprehensive emergency management plan based on four phases: prevention/mitigation, preparedness, response, and recovery. To familiarize yourself with this plan, please visit http://www.skidmore.edu/emergency/. It is every resident’s responsibility to be prepared.

**LOST & FOUND:** The College does not accept responsibility for theft or losses occurring on campus. Lost and Found is located at Campus Safety. Campus visitors are urged to keep their rooms locked at all times and to gather all of their belongings before checking out. Loss of property should immediately be reported to Campus Safety.

**VEHICLES & PARKING**

All vehicles parked on campus must be registered at the summer registration desk upon check-in. Overnight guests will receive a **free parking pass** at check-in that must be displayed at all times. Parking is **prohibited** in roadways, no-parking zones, handicap zones, fire lanes, loading docks, lawns, and sidewalks. Parking must not impede access to the campus and its buildings by emergency vehicles. Vehicles may not be driven on unpaved areas. Vehicles in violation of this policy will be ticketed and are subject to towing. See the map on the back of this guide for specific parking lot locations.

The following lots are considered **commuter lots** and may only be used for **daytime parking**; no cars may be parked in these lots from 2 am to 7 am any day of the week: Case Lot, Tower Lot, North Hall Lot, Harder Hall Lot, Palamountain Lots, Sports Center Parking Lot, and Dance Theater/Lodge Parking Lot, and the Perimeter Road parallel parking spaces.

Cars may be parked **overnight** in the following lots (with valid free guest parking pass): Wait Lot, West Lot, Tang Lot, Arts Quad A, Arts Quad B, Northwoods Village Parking Lot and Falstaff’s Parking Lot.

Vehicles utilizing the **Northwoods Village 30-minute parking spaces** must abide by the 30-minute time limit and must have flashers on. Violators will be ticketed and/or towed.

*Fines may be paid to the Accounts Payable Office in Barrett Center. Vehicles with more than three unpaid tickets are subject to booting.*

To receive a change of linens, guests must leave their towel and sheets outside of their doors by 9:00 am on the designated day.

HOUSEKEEPING/MAINTENANCE: Housekeepers are responsible for cleaning and servicing all public areas, including lounges and bathrooms. They do not perform personal cleaning for guests’ individual rooms or apartments. If there is a housekeeping/maintenance problem, please call the Summer Registration Desk for help. Apartment kitchens are equipped with a full size oven/stove, microwave, dishwasher and refrigerator. However, cooking utensils, pots, pans, dishes, etc., are not supplied. If you plan on cooking in the apartments you must bring your own supplies.

PETS: For health and safety reasons, pets are not permitted on campus. If an animal is found on campus, the owner will be asked to remove it from the premises and a cleaning fee will be assessed. There are many pet boarding facilities in the area. Guests who do not comply will be asked to leave.

Health-related expenses incurred at facilities outside of Health Services will be the responsibility of the patient/parent. Summer Health Services hours are limited to Monday through Friday, 9-11:30am and 12-3pm. After hours, please contact campus safety.

COMPUTERS

PUBLIC COMPUTERS: Public computers are available all over campus, especially in the Lucy Scribner Library, Case Center, and many academic buildings. Skidmore maintains a private network, so you will need a guest/temporary username and password to sign into our computers. You will receive one at check in.

COMPUTER/WIRELESS USERNAME & PASSWORD: A Skidmore username and password is required for WiFi access and public computer login. Certain summer programs will be assigned a generic group username and password, which will be provided upon check-in with the Summer Operations Assistants and is always available at the Summer Registration Desk. WiFi is available throughout all of Skidmore’s campus. Skidmore’s campus WiFi networks are titled “Skidmore Wireless” and “SkidmoreSecure.” In the residence halls and apartments, the WiFi network is called ResHallWiFi.

When you plug into the cable modem, no setup or password is needed. Skidmore does not provide in-room computer assistance. While we are currently in the process of building new apartments, there may be sporadic hot water and electricity outages. We will do our best to notify you in advance. We apologize for any inconvenience.
Waste and recycling is a topic that concerns many people on the Skidmore College campus. In an effort to make recycling easier for all members of the community, Skidmore transitioned to zero-sort recycling in fall 2013. Zero-Sort recycling is Skidmore’s most recent waste reduction effort and allows users to place all recyclable material in one bin.

Guests are responsible for recycling in accordance with the recycling standards set by the College. There are “recycling areas” in each residence hall’s kitchen where you will find labeled zero-sort recycling bins. There are also designated “trash rooms” on each floor where guests are responsible for disposing of their trash.

Zero-sort recycling and trash dumpsters are located throughout the Sussman Village and Northwoods apartment complex. PLEASE RECYCLE.

ALL RECYCLABLE MATERIAL MUST BE FREE OF FOOD AND OTHER CONTAMINANTS
