Visiting Hours and Parking
Open daily from dawn to dusk. Parking is permitted in the Falstaff’s Lot designated on the map. We ask that guests not park on North Broadway as the College neither owns nor maintains this road.

Don’t Forget…
Dogs always need to be on a leash, and owners need to clean up after their pets. Motor vehicles, biking, littering, the possession or use of firearms or illegal drugs, destructive behavior, excessive noise, alcohol, fires, camping, hunting, and trapping are prohibited.

The North Woods is a unique place that the Skidmore Community deeply appreciates and respects. We are all stewards of the woods, so please join us in protecting them as a shared resource.

North Woods
Welcome! We invite you to experience the beauty and natural wonders of the North Woods. To keep the woods intact for the education, research, and other outdoor experiences, we ask that you respect the guidelines described in this brochure.

Enjoy your visit!

Philip A. Glotzbach,
President
